

ZEFTRON NYLON

THE PREFERRED SUPPLIER

Zeftron nylon has been a trusted partner in the commercial interiors marketplace for more than 40 years meeting the demands of the marketplace and complimenting the efforts and unique needs of our individual customers.

PREMIUM PRODUCT

- ➔ **Color Clarity & Intensity** – A standard colorline of 120 shades known for their brilliance, clarity and clear crisp hues in a robust range of colors including bold accents and metallics. A versatile colorline with color continuity from lot to lot and order to order.
- ➔ **Recycled Content** – A minimum 25 percent recycled content in every color.
- ➔ **LEED Credits** – Carpets made with Zeftron can contribute to LEED credits due to its Cradle to Cradle™ certification and host of other tangible environmental attributes.

Cradle to Cradle™ is certification mark licensed by the Cradle to Cradle Products Innovation Institute

EXCEPTIONAL SERVICE

- ➔ **Next-Day Delivery** – Inventory levels of all colors to enable shipment of most orders the next day.
- ➔ **Custom Job Bids and Small Quantity Service** – Single package availability for custom projects, samples and strike-offs or larger quantities up to 200 lbs. or full cases.
- ➔ **Promotional Events** – Special events and promotions in strategic markets to strengthen our customer's product awareness to the specifying community.
- ➔ **Onsite Support** – Available to go onsite to conduct maintenance seminars, provide trouble-shooting and product performance assessment.

DEDICATED PARTNER

- ➔ **Pricing** – Aggressive pricing to help meet a customer's specific needs and requirements.
- ➔ **Custom Colors** - Willingness to create custom colors for on-going or special projects.
- ➔ **Trust & Confidence** – We have built our business on trust and confidence. As Shaw's External Fibers Sales Group, we have been operating independently for nearly a decade, supplying a variety of commercial carpet manufacturers with a high quality product, excellent delivery and superior support.
