

SOLUTION DYED FILAMENT NYLON 6

Zeftron nylon offers the exceptional advantages of a solution dyed filament product with the ultimate in styling sophistication and flexibility. Each proven color, including those in our Reflective Elements and vibrant Brilliant collections, is a clear saturated hue making for unlimited color possibilities.

The Enviro6ix® designation is your assurance that each color contains a minimum of 25% recycled content. It signifies Zeftron's unwavering commitment to innovation in sustainability. It's Zeftron's way of Delivering More.
